DISTRIBUTION LIST

PPPO-03-10028309-24

Dear Madams/Sirs:

**U.S. DEPARTMENT OF ENERGY PORTSMOUTH ANNUAL SITE
ENVIRONMENTAL REPORT – 2023**

Enclosed for your information is a copy of the *U.S. Department of Energy Portsmouth Annual Site Environmental Report – 2023*. The report includes the results of on-site and off-site environmental monitoring activities, describes the programs implemented to ensure compliance with environmental regulations, and discusses the overall environmental impacts of the U.S. Department of Energy (DOE) activities on the surrounding area. The report was prepared for distribution to the public, news media, as well as local, state and federal agencies by DOE's contractor, Fluor-BWXT Portsmouth LLC.

The monitoring data and subsequent data analyses have been collected and performed in accordance with controlled operating procedures. The data underlying this summary environmental report is available online at [PEGASIS Portsmouth \(pppo.gov\)](https://pegasis.portsmouth.gov).

If you have any questions or desire additional information, please contact Daniel Mains of my staff at (740) 897-2840.

Sincerely,

**JEREMY
DAVIS**
